

Anatomy Gifts Registry's (AGR) Human Anatomy Wet Lab

AGR is hosting Anatomy Wet Labs where students in A&P I/II or related classes can experience real human anatomy. In 2 hour sessions, students will:

- ◆ **See and feel fresh, not formalin fixed, human organs and tissues**
- ◆ **Learn about anatomy and physiology and disease processes**
- ◆ **Gain extensive knowledge and certificate of attendance (resume booster!)**

Quotes from students who participated in AGR Labs:

"I wish that it lasted longer."

"Fantastic!"

"Tons of information in 2 hours!"

"Great hands-on and wonderful experience."

"Very different from seeing things in textbooks."

"I would recommend this to any student."

A must have experience for anyone interested in the medical or related fields!

Only \$30 per person. Includes fees for protective gear and complimentary snacks and refreshments.

To register, go to: <http://anatomylab.anatomicgift.com/>

Type in school code (HCC-HCC04444; AACC-AACC5555, CCBC6666) and pick a session that best fits your schedule
