Basilar Artery
Cerebral arterial circle
Branches supply right side of the brain
Branches supply left side of the brain
Branches supply right side of head, neck & face
Branches supply left side of head, neck & face
Right External Coratid
Right Internal Coratid
Left Internal Coratid
Left External Coratid
Right Vertebral Artery
Right Common Coratid Artery
Left Common Coratid Artery
Left Vertebral Artery
To right upper limb
Right Subclavian Artery
Brachiocephalic Artery
Left Subclavian Artery
To left upper limb
anterior thoracic & abdominal walls
Right Internal Thoracic Artery
Aortic Arch
Left Internal Thoracic Artery
anterior thoracic & abdominal walls
Heart
Coronary Arteries
Ascending Aorta
Descending Aorta
Parietal Arteries
posterior thoracic wall
Left Ventricle of Heart
Abdominal Cavity
Visceral Arteries
thoracic organs
